✓ ✓ with reference to Government Notification No 5239 of 14-1-1916 dated the 18th January 1916 prescribing the speed limit of motor vehicles in the Mysore City I have the honor to state that the limit of six miles per hour fixed in the case of certain roads specified therein is too slow and cannot be worked in practice. I would therefore suggest a slight modification in the speed limit for the consideration of Government, and that is, the speed of the motor vehicles should not exceed 15 miles an hour on the specified roads, and 20 miles an hour over other roads, within the city limits.
